

**Allah is the Greatest, Allah is the Greatest, Allah is the Greatest**

**Allah is the Greatest. How constant the blessings of thanksgiving and harmony.**

**Allah is the Greatest. How great the good deeds and morals.**

**Allah is the Greatest, Allah is the Greatest, Allah is the Greatest**

**All praise is due to Allah alone who is inimitable. I bear witness that there is no deity but**

**Allah, alone, without any partner, and that Muhammad is the Slave and Messenger of Allah.**

**May Allah bless Him and grant Him peace, the One who was sent as a mercy for mankind.**

**After that:**

Oh Muslims: the religion is like a rope which unites the earth to heaven. It is one rope whose sides are monotheism and consistency, and its goals are endless blessings, life's harmony, and purification of the souls. Allah says: "And hold firmly to the rope of Allah all together and do not become divided. And remember the favor of Allah upon you – when you were enemies and He brought your hearts together and you became, by His favor, brothers". Days of the greatest Hajj are calls to renew the belief in the existence of Allah and show unity among Muslims by saying: (Here I am. You have no partner), to answer the call of Prophet Abraham, the father of Prophets, peace be upon him, in which people make the confession of the Oneness of Allah in creation and administration.

Al-Ikhlās Chapter is equivalent to one third of the Qur'an to emphasize strongly the importance of the oneness of Allah. In this Chapter, Almighty God says:

{Say! He is Allah, the One!}. He is One in His greatness and uniqueness and all souls move towards Him. {Allah, the Eternal Refuge!}. One who is our means and our end. {He neither begets nor is born, nor is there to Him any equivalent". Nothing resembles Allah in anyway whatsoever: {there is nothing like unto Him, and He is the All-Hearer, the All-Seer}.

The belief that there is only one God emerges from a purification of the soul, beauty in the heart, and tolerance in dealings. The ethics of faith and monotheism imply the moral values in times of ease and hardship, love and hatred, and war and peace. They all carry the morals of good deeds and implemented by good faith, intention, following the example, and awareness of the nation's needs, hopes and aspirations. According to these perceptions, the faith is associated with the good deed, not only in the principles and goals, but also in the ways and means. There is no religion without strong working ethics achieved through three elements: the person himself, others, and the society. When religion is separated from morals and sincerity, all endeavors and efforts done by the person would go astray. In this way God says: {Those whose efforts have been wasted in this life while they thought that they were acquiring good by their deeds! Deeds are done in a moderate way; pass through the motivations and restraints without going too far and exceeding the limits.

**Allah is the Greatest, Allah is the Greatest, Allah is the Greatest**

There no God but Allah, Allah is the Greatest, and all Praise is for Allah

**Oh you who believe:**

The existence of the signs of God and His great favors are clear evidences to His mercy on us and our homeland; and everything given causes thanksgiving through us to God. How great these favors and gifts are. It avoided danger, brought pleasure, and gave hopes. The greatest favor is the one that eases the crisis, makes the hardships easier and serves the people's welfare and safety. All praise is due to God for the many blessings and for protecting us from evil whims.

When Allah decrees for good something to happen in a place, response and acceptance will be found. At this time the human follow in the steps of the advancement and progress of nations, and the people would be proud of serving their nation.

And Allah does not decree for good something unless morals brought back to human being and experiences are learned. At this time people had absolute power and progress.

**O Muslims:**

The care provided by religion and state to the public interests of the community does not limit the individual's sincerity, freedom and creativity. It is integration in the order of the work of the believer and his actions, and the believers and their community, so that everyone will be rewarded for their good deeds - justice and noble deeds would prevail everywhere, and the interests of believers ordered by Prophet (PBUH) will be served. According the judgment ordained by God: {And let those who conspire to evade orders beware lest grief or painful punishment befall them}

The ethics of Nations is not represented in the charters and covenants only, but also in chivalry and religion's morals, by respecting the prophets and sacred sites and securing the rights and freedoms. The nations still remain in goodwill state as long as the good deeds are being done. If you do a favor do not expect that same person to give it back, and those who made the good deeds are associated with it. No blessings are given when ties of kinship are cut. Blessed is he who sincerely devotes the entirety of his actions, knowledge, love, hatred, speech, silence, and praise Allah that you are saved from trials. Fear Allah and obey him and pray for the Prophet Muhammad (Allah bless him and give him peace) and all the previous prophets, Truly You are Praise worthy and Glorious. Allah says: {And when My slaves ask you (O Muhammad SAW) concerning Me, then (answer them), I am indeed near (to them by My Knowledge). I respond to the invocations of the supplicant when he calls on Me (without any mediator or intercessor)}.

O Allah, we ask You good provision by Your Grace and Generosity

O Allah make easy for us everything You love and make difficult to us everything you hate

O Allah keep us alive upon the nature of Islam and a word of sincerity, O Allah, cause us to fear You in secret and in public. We ask You to make us true in speech in times of pleasure and of anger. We ask You to make us moderate in times of wealth and poverty.

O Allah support our Sultan with the light of wisdom, guide his steps to success, save him with your care, grant him with your support and strength, O Lord of Majesty, Glory and Bounty.

Oh Allah, Make Oman a country of safety and security, peace and confidence, and do not make within us envious enemy. We ask You for your grace and favors. We take refuge in You from the trials and temptation of life and death.

Oh Allah, protect the Islamic countries, and unify them under one word. Give us good provisions. Make them safe and secure and keep their inhabitation from all harms.

Oh Allah, Give us in this world that which is good and in the Hereafter that which is good, and save us from the torment of the Fire

{Our last supplication is that all praise is due to Allah, the Lord of the Worlds}
